Den granskade produkten uppfyller de säkerhetsstandarder som är utarbetade i syfte att tolka kraven i PPE-direktivet 89/686/EEG med tillägg. Certifikatets innehavare har rätten att fästa ett ET-märke på produkter som överensstämmer med det granskade exemplaret och får också använda märket i samband med marknadsföring av sin produkt.

This inspected product fulfils the safety standards that are developed with the aim to interpret the requirements of the European PPE Directive 89/686/EEC with amendments. The certificate holder has the right to fix the ET-mark on products complying with the inspected sample and may also use the mark for advertising his product.
